Tommy and Fundy walked through that Dragon's Den the moment Tommy got all Kanto's Gym Badges and, of course, beat Blue

As he walked the perilous mountain with Ares his Typhlosion and Fundy was riding Kit his Ninetials

“Walk into the hallowed halls, With a team that I have balanced ♪” Fundy looked at Tommy wondering why he was singing as he held his Poke Ball

“Echoing through mountain walls, Calling out another challenge ♪” Tommy raised his Poke Ball high as if he were daring someone to actually do it

“Through victory and defeat, Everything was just made plainer, 'Til my journey is complete, I won't be the greatest trainer” Fundy himself came along way he has grown strong and matured more than he did than that cursed SMP

“I had nothing to my name, When my journey had begun, Now that I have won this game, Now I am the champion ♪” Tommy came into this world for freedom and tattered clothes and malnourishment now he was healthy, new clothes fit for any weather and decently rich and with a legacy doesn't mean Fundy won't try to challenge him for it

“The very best like no one ever was, That is my cause, So I go like those who came before me, To make the journey ♪” Blue was the first Champion, then Red and Lance, now Tommy. He carries a Torch that burns bright like his bond with Mars

“We have scrapped and we have bled, But my Pokémon believe me, Always go down the road ahead, For the challenge that will lead me ♪” Wars, Exile and now Team Rocket. It wasn't easy, but they did it

Tommy had pride, but he knew the real challenge was coming soon if he found him
